**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Thanks to broadband competition, I'm able to get fast, affordable access to the internet. I'm able to choose a company that provides great customer service. Because of the competition, more companies are being founded.

More competition means more profit. More profit means you can get a bigger Reese's pieces mug. It means greater investment in infrastructure that allows more cities to become tech incubators.

Thanks to the increasing options for broadband access, the company I work for creates more jobs.

Don't sell out our economy.
